Dear Friends,

Believing that our yearbook should awaken cherished memories for us in years to come, we, the staff have endeavored to present pictures and information fully representative of every phase of Darlingen High School activity. We have photographed both faculty and student body at work and at play, participating in school organizations, or playing at favorite sports. We have tried to overlook nothing that might afford someone pleasing reminiscences. If we may claim for our endeavors even partial success, we feel that the 1941 El Avrozo will come to you with all that is traditionally best at Darlingen High School. If we failed in part, we yet may say, "It was fun to try."

Sincerely,
Jeanette Lee,
Editor-in-Chief
